November 2023

To All Our Wonderful Customers

PLEASE NOTE SHUTDOWN DATES

Our offices and workshops will be closing for the year-end shutdown on **20th December 2023** and reopening **15th January 2024**

We thank you for your support in the past year and look forward to working closely with you in 2024 in the supply, support, and training in dependable cutting-edge solutions.

And to pique interest and anticipation we may mention Allens has been invited by a world-leading manufacturer of top-quality instruments to play a key dealership role in their Africa launch of mining and land survey products in the new year.

And on the aquaculture news front watch out for the Allen Associates website report of our 2023 AquaVentures Propella graduation, signalling an AI milestone in meeting protein security goals, key to solving malnutrition which stunts so many of our young.

Should you have any questions feel free to contact us.

On behalf of the Allen Associates Team, we wish you and your family a safe and happy holiday period.

Best regards

David Allen

Member and CEO

Joined by Moira, Geoff, Anderson, Selwyn, Charl, Thermon, Tari, Tammy, Angela, Welcome, and Maria whom we thank for their dedication to duty and impeccable attendance record!
